

my MAZZONI

ONE MISSION INFINITE HOPE

— 2018 ANNUAL REPORT —

MAZZONI CENTER
LGBTQ HEALTH AND WELL-BEING

A LETTER FROM THE DIRECTORS

When we opened the doors to our new home at Broad and Bainbridge Streets in May 2017, we knew we were beginning an exciting and promising chapter in our organization's history. For the first time since our founding in 1979, all of our programs would be under one roof, our capacity for medical and mental health would double, and we'd launch the region's first intensive outpatient LGBTQ program for substance abuse.

If you asked any members of our board or leadership team, we're confident they would tell you they were filled with an overwhelming sense of both pride and apprehension as they awaited the first reactions from our community members when they walked through the doors for the first time. Fortunately, as you have no doubt experienced for yourself if you've had the opportunity to visit us in the past year, the new building has quickly become a landmark within the community and one that is constantly filled with a myriad of individuals who rely upon the broad continuum of services being offered within our walls by our team of dedicated and passionate staff members.

Whether it's to pay a visit to our food bank, take part in one of many support groups tailored to meet a vast range of needs or to simply attend a wellness visit in our primary care practice — the individuals we serve have diverse needs that we are committed to meeting through innovative and compassionate care.

One year later, as we reflect on this new chapter and all the changes that have come along with it, there is one constant that has remained ever present and steadfast throughout: our mission. Our organization will continue to grow, change and transform — as will those who lead and those we serve. But our commitment to providing comprehensive health and wellness services in an LGBTQ-focused environment, while preserving the dignity and improving the quality of life of the individuals we serve, is one thing that will remain the same as long as Mazzoni Center exists in the greater Philadelphia area.

Thank you for your continued support that makes all of this possible. It is your generosity that fuels us as we seek to achieve our vision of a community where everyone impacted by Mazzoni Center has a chance to thrive.

With infinite gratitude and hope,
Mazzoni Center Directors

TABLE OF CONTENTS

FROM THE BOARD

When we reflect on this past year, we're struck with a sense of awe and admiration at the magnitude of what our incredible Mazzoni Center staff has accomplished — all in the interest of creating an environment where the individuals we serve can truly thrive. While the same has been true for every year we've been part of the Mazzoni Center community, this past year has, without question, been a milestone as it pertains to the realization of our mission.

In the pages that follow, you'll learn more about the services our dedicated staff provided to more than 35,000 individuals in 2018. While Mazzoni Center may mean something a bit different to each of them — and each of us — we are all grateful to call this essential organization, "My Mazzoni."

Thank you for your continued confidence in the Board of Directors, and your ongoing and bountiful support that makes the critical work being done, day in and day out, possible.

A NEW HOME TO CALL OUR OWN

With all of our services — from health care, counseling and recovery, education, HIV prevention and care and legal services — now under one roof, Mazzoni Center is able to accommodate even more individuals who are in need of our services and support.

MAKING AN IMPACT ONE INDIVIDUAL AT A TIME

In 2018, we served 35,000 individuals across our entire continuum of care, through an ever-expanding range of services:

CHOOSING CELEBRATION OVER ACCEPTANCE

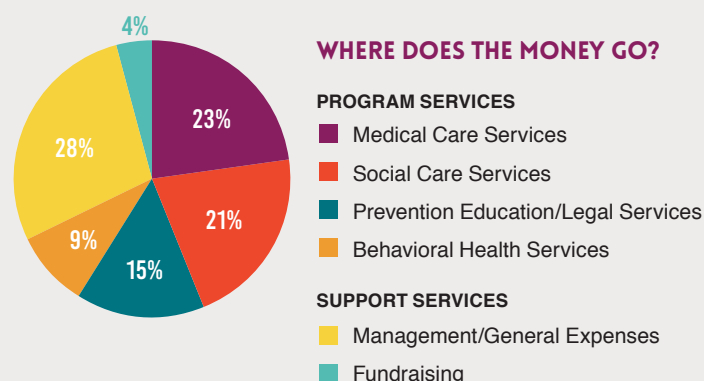

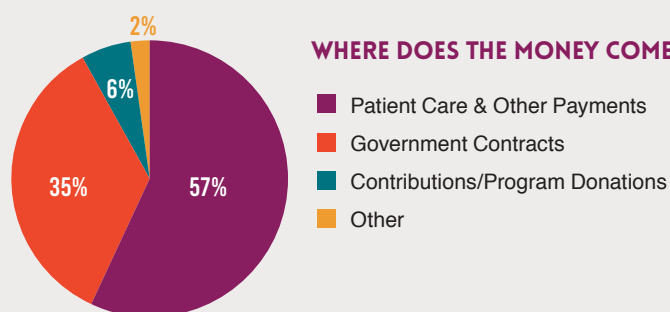

When Sandy and Luis' son, Jude, approached them to share that he was ready to undergo gender-affirming surgery, they knew it was the best decision for their son and immediately began to research their options, seeking out guidance on the best path forward for their family. A friend recommended Mazzoni Center, so Sandy and Jude made an appointment and traveled from New Jersey for an initial visit in September 2017. "From Morgan at the front desk, to Ahmaad, the support provided to my son and my family was something for which we will forever be grateful," said Sandy.

Thanks to Mazzoni Center, Jude was able to connect with Dr. Kathy Rumer, a leading surgeon in her field, who performed a successful chest masculinization surgery, as well as take advantage of support services pre- and post-operation to help him continue his transition in good physical and emotional health. Sandy continued, "When we looked at Jude after the surgery, we said to one another, that's what our child is supposed to look like. Everything fits now. Without Mazzoni, we wouldn't have had the resources we needed to make this possible."
