

All proceeds from Mazzoni Center Gala: Metamorphosis support Mazzoni Center's continuum of health and wellness services, including a full array of primary health care services, mental and behavioral health services, and LGBTQ legal services, as well as HIV and STI testing, food bank and housing subsidies for families and individuals affected by HIV, support groups, outreach and education programs.

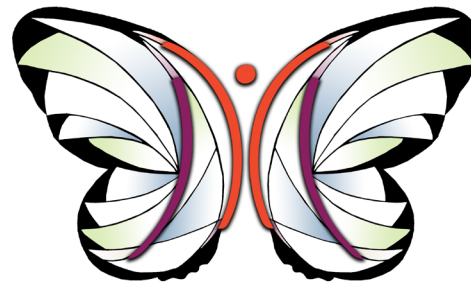

In addition to supporting the crucial mission of Mazzoni Center, cash sponsors have the unique opportunity to reach over 400,000 people through web and print advertisements and announcements, community events, email communication, and exposure at the gala. All cash sponsors will be listed in emails associated with the event once written commitments are made. (These benefits packages are not applicable to in-kind donors and individual, non-company/organization donors.)

Mazzoni Center may entertain modification of specific benefits to fit the needs of a sponsor's marketing goals and objectives. Mazzoni Center's priority is to establish and maintain long-term relationships with all of its partners. All sponsors have the opportunity to provide items for distribution to guests, subject to committee approval.
