

**ABOUT  
MAZZONI CENTER**

Mazzoni Center offers a full spectrum of LGBTQ competent health and wellness services from HIV testing and care to STI screening, to mental health counseling and substance abuse services, to primary care, to trans and gender confirming care, to legal services, to youth support in schools, to professional development and training focusing on creating LGBTQ affirmative and inclusive environments.

Whether you need HIV testing or STI screening, primary or HIV health services, help with substance abuse or mental health challenges, or want to make your workforce more LGBTQ component and inclusive, we can help.
